## School Character

Te Kura o Te Pāroa is a state designated character school. As a designated character school, we have a **different character** from ordinary state schools and the education we offer differs significantly from the education students would get at an ordinary state school.

Te Kura o Te Pāroa ensures Ngāti Awa children are given the opportunity to be educated in the context of their culture and heritage. We offer both mainstream and te reo Māori immersion education. Māori cultural values, karakia, and tikanga are an integral part of Te Kura o Te Pāroa. The school culture nurtures and values the unique position of Māori in New Zealand society.
